Delaware County Library System

At last week's meeting, David Belanger talked to us about the Delaware Library System in Delaware County and all that it has done to grow and expand. We will soon be able to download mp3's and audio books. Through the virtual library at www.delcolibraries.org, we can access many things. The top ten things accessible via the web are:

10. Selected web sites for your business.
9. NetLibrary, an extensive collection of e-books.
8. Thomson Gale Legal Forms - forms for just about anything.
7. Auto Repair Reference Center - everything you need to know to fix your car.
6. Newspapers:
 - Philadelphia Inquirer - 1981 to Present
 - New York Times - 2000 to Present
 - New York Times Historic - 1851 to 2003
 - Index to others
5. An e-book
4. Morningstar.com - mutual funds
3. Business Source Premiere - magazine articles on business and an index to business journals.
2. Reference USA - database of 13 million businesses including a very specific search engine.
1. BOOKS - book search engine that can find any book in the Delaware County Library System and have it transported to your library for pickup.

Bonus: Librarians! CNET says, "The most reliable search tool could be your librarian."
