As of the end of June, we have completed 11 years of the Acme Register Tape Program.

Over 22,500 Register tapes have been processed to provide \$7,886.51 to the Media Rotary Foundation. When we submit our receipts, a check, generated from Acme's Home Office is mailed directly to the Rotary Foundation.

This past year, we have fallen from our yearly average of \$716.96. We are currently at \$561.56 so, please bring in those register tapes!

Girard College

Last week, Dominic M. Cermele, President of Girard College and former student (He graduated in 1959), came to speak to our club.

Girard is a private boarding school for academically capable students in grades 1 through 12 who come from families headed by a single parent or guardian with limited financial resources.

All Girard students receive full scholarships, enabling them to take part in the school's strong academic program, and to live safely on its enclosed 43-acre campus in the Philadelphia Art Museum area of the city.

Girard's mission is to prepare students for advanced education and life as informed, responsible, and productive citizens. We accomplish this goal through a rigorous educational program that promotes students' intellectual, social, and emotional growth.

Stephen Girard, the founder of the school, once said: "My deeds must be my life. When I am dead, my actions must speak for me." This philosophy lies at the heart of Girard education. In a world where children face a wide range of challenges and obstacles, Girard College offers a stable foundation for future success.
