### Message from DG AI

From District 7450 Rotary Leader

With great humility and honor, I have accepted the position of the District Governor for our great District 7450. I would like to thank all of those who attended and those who participated in my installation ceremony on June 15 at the great restaurant of Wayne Rotary PP Margaret Kuo in Wayne.

Most of all I would like to thank my mentor for all my Rotary years, PDG Dr. Richard Knauff, and PDG Mark McGill, who graciously accepted the position of the District trainer for this and was willing to keep me on a straight course, a task, which some of you know is a monumental one.

I would also like to thank PDG Joel Chesney for his contribution to our District as the DG for 2008-2009, as well as all club presidents and AGs who served with him during the last 12 months. Bravo to all.

I cannot imagine a more perfect recognition and honor like this one

in an international organization bestowed to somebody with the internal background I have. Coming here to go to college at the age of 18 and being involved in Rotary since 1983 epitomizes the global nature of Rotary International which exists in almost 200 countries and geographical areas with 33,000 clubs and more than 1.2 million members.

RI president John Kenny in his address in England said: "And that is why, in the 2009-10 Rotary year, I selected the theme 'The Future of Rotary Is in Your Hands.' Because the future of Rotary will not be determined by me, or by any of Rotary's senior leaders --- in this Rotary year or in any other. The future of Rotary will not be determined at this convention or by any decision by the board of directors of Rotary International. The future of Rotary is being decided every day, in every one of our clubs --- by every one of you. The Future of Rotary Is in Your Hands."

Everything we do happens in our clubs and

with the help of their members. I cannot imagine a better theme to emphasize the importance of the Rotary Clubs and their members thank the one president Kenny chose. He said:

"I do not intend to introduce any new programs or to set any ambitious new goals in the area of membership for the coming Rotary year. I will simply rely on you as responsible people to see to it that we have more qualified members, true Rotarians, at the end of the year than we had at the beginning. And I will rely on you to do your best to see to the mentoring of our newest members, for retention is no less important than recruitment."

### The Other Side of the World

Written by Brandon Johnson, our Ambassadorial Scholar.

October 21, 2008  
Odyssey to Batad  
Banaue, Luzon, Philippines

(continued from last week)

Development has begun to seep through, as some traditional huts are being replaced with "modern" homes, and many youth are migrating to cities for better --- or any --- jobs. Nevertheless, much of the traditional culture still remains remarkably untouched. The pervasive question is how much longer these villages will survive.

When I read the *Rough Guide's* small blurb on Batad, I knew this was where I wanted to spend my vacation. For five days, I lived

in *barangay* --- two in Batad, and three in an adjacent village, Cambulo. I met the locals, ate their meals and slept in their homes. I interviewed teenagers and elderly, nurses and teachers, local officials and church heads. These people were among the friendliest I have ever met. Despite the fact that many of them lived poor, labor-intensive lives, pity or sorrow rarely entered my thoughts. Instead, I was engulfed by feelings of welcome and comfort, and was continually made to feel at home.

For the next few weeks, I will "unpack" my travels in the *barangay* of the *Ifugao* people. From my observations and personal interviews, I will humbly attempt to describe the uniqueness of their culture, recent economic pressures, and societal issues they face. I will offer profiles of the people I met, in attempt to illustrate their

humanity. Because in fact, these people are remarkably similar to you and me--- not the pierced-lipped, loin-clothed, fire-ritual tribesman we imagine when we hear "indigenous tribes" (though such customs are not that far in their history).

Keep posted for the remarkable experiences of living with the *Ifugao* people...

## Message from DG Al (continued from page 3)

My goals are not different from past president Kenny’s and I pledge my support to the 54 clubs of District 7450 to help them achieve their goals and that is why I believe “The Future of Rotary is in Your Hands.” In connection to this pledge, I would also like to congratulate all the presidents and the officers of all clubs for their election to their respective roles and I am looking forward to working with all of them. I cannot miss this opportunity to congratulate the nine AGs who have agreed to serve the District with me. In addition to my support, I would like to offer the support of the nine AGs supporting six clubs each. Please do not hesitate to call on us for any help you may need.

I just returned from the RI convention in Birmingham, England and the more than 40 Rotarians and friends from our district

enjoyed the inspiring programs presented. I look forward to sharing with you some of those experiences as I am going around the District visiting clubs.

...

We will announce a Rotary Foundation workshop for October 17 and we are working on completing all arrangements for the celebration of the year with a cruise on May 8 to 13, 2010. Information about the cruise is included with this newsletter.

Please do not hesitate to e-mail me with your thoughts, suggestions, ideas and comments at DG0910@rotary7450.org.
