

The Medium

New President Installed!

Andy Hunt

During a ceremony held on June 24th, Andy Hunt was installed as the 85th President of the Media Rotary Club. Andy is excited to have the opportunity to lead the Club in a hands-on approach to Rotary's motto, "Service Above Self."

Projects that come to mind would include the preservation and enhancement of one of the crown jewels of Media, The Hedgerow Theatre. Andy hopes also to build a large support for this year's Alzheimer's memory walk. Our new President feels that the many years of support the Club has given to the community could be of great value in bringing together many of the other community's service organizations to provide a cohesive and comprehensive response to the needs of our neighbors and friends.

He's looking forward to working as a team with the next leadership group led by Bryan Messick and extends deepest thanks to Jack Sproul for all the years as Treasurer while expressing enormous confidence in David Belanger as his successor.

Andy is gratified by the support he has received from the membership and humbled by the legacy of the 84 Presidents who have served before him.

Many people will walk in and out of your life,
But only true friends will leave footprints in your heart.
